CRAFT / AGES 4-7

A Thank-You Card

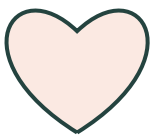
Make a folded card with your own message.

YOU WILL NEED

This template, crayons and scissors.

> An adult must supervise cutting. Use child-safe scissors. Keep small paper pieces away from your mouth.

1. Draw a picture on the right-hand front panel.
2. Cut around the outer rectangle. Fold on the dashed centre line.
3. Keep the picture on the outside. Open the card and add your message inside.
4. Think of someone you would like to thank. Tell them what they did that helped.



An adult can write down the words you say. Your own drawing makes it special.
