PAPER CRAFT / AGES 4-7

Four Season Tree Cards

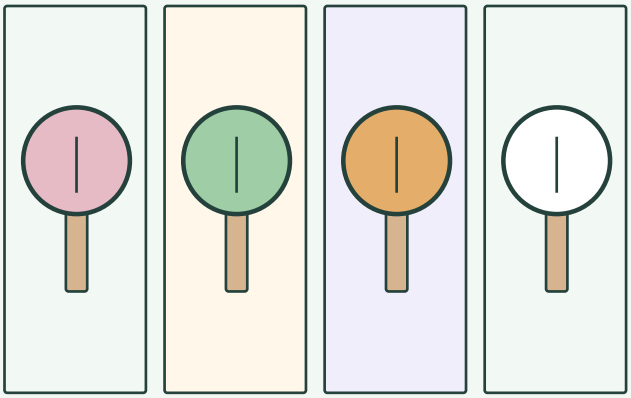
Decorate four trees and fold four little standing cards.

YOU WILL NEED

Crayons and child-safe scissors.

1. Colour one tree for spring, summer, autumn and winter.
2. Cut around each large card rectangle. Do not cut the dashed lines.
3. Fold each card so the tree picture is outside. Open the fold slightly to stand.
4. Arrange the cards in seasonal order and talk about the changes.

ONE WAY TO MAKE IT



Adult supervision: child-safe scissors, glue stick, and paper only. Keep small pieces out of mouths.

Four Season Tree Cards

Print at 100% on A4, or fit to Letter. Colour first. Cut the thick outside edges.

Dashed lines: fold. Thin inner lines: decorate. Seasons vary around the world. These show a place with four distinct seasons.
