CRAFT / AGES 4-7

Leaf Rubbing Gallery

Make four nature textures in a paper gallery.

YOU WILL NEED

This template, crayons, scissors and fallen leaves.

An adult must supervise cutting. Use child-safe scissors. Keep small paper pieces away from your mouth.

1. With an adult, collect a few safe fallen leaves. Do not taste them.
2. Place one leaf under a blank panel. Rub gently with the side of a crayon.
3. Try different leaves and colours in the other panels.
4. Cut around the outer gallery rectangle. Write a title and display it flat.

Use fallen leaves only where collecting is allowed. Wash your hands afterwards.
