PAPER CRAFT / AGES 4-7

Fruit Basket Paper Pocket

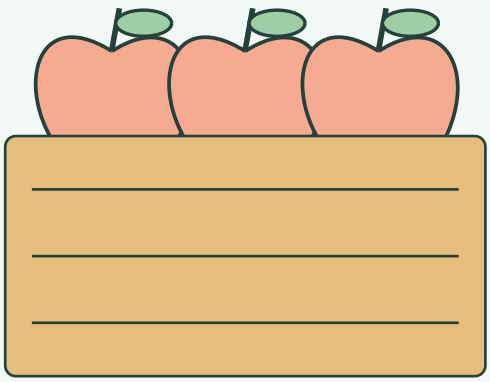

Make a small pocket that holds three paper fruits.

YOU WILL NEED

Spare paper, crayons, child-safe scissors and a glue stick.

1. Colour the basket and three fruits. Cut the pieces along outer edges.
2. Fold the basket tabs backwards on the dashed lines.
3. Glue only the tabs to spare paper. Leave the top open.
4. Decorate the fruits and slide them into your basket pocket.

ONE WAY TO MAKE IT

Adult supervision: child-safe scissors, glue stick, and paper only. Keep small pieces out of mouths.

Fruit Basket Paper Pocket

Print at 100% on A4, or fit to Letter. Colour first. Cut the thick outside edges.

Dashed lines: fold. Thin inner lines: decorate. Paper fruit is for pretend play. Keep all pieces out of mouths.
