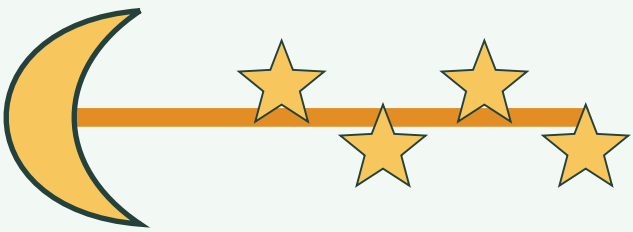
YOU WILL NEED

Crayons, child-safe scissors, glue stick and adult-managed wall tape.

1. Colour the moon, stars and four joining strips.
2. Ask an adult to help cut the curved moon. Cut the other pieces.
3. Arrange the moon and stars in a line. Glue a strip behind each neighbouring pair.
4. Dry it flat. Ask an adult to tape the banner to a wall.

ONE WAY TO MAKE IT



Adult supervision: child-safe scissors, glue stick, and paper only. Keep small pieces out of mouths.
