CRAFT / AGES 4-7

Mirror-Wing Butterfly

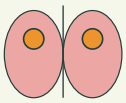

Make matching patterns on two wings.

YOU WILL NEED

Crayons and child-safe scissors.

An adult must supervise cutting. Use child-safe scissors.

1

Colour matching spots on both sides of the butterfly.

2

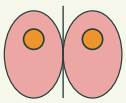

With an adult, cut around the outside outline only.

3

Fold along the dashed middle line. Open the wings again.

4

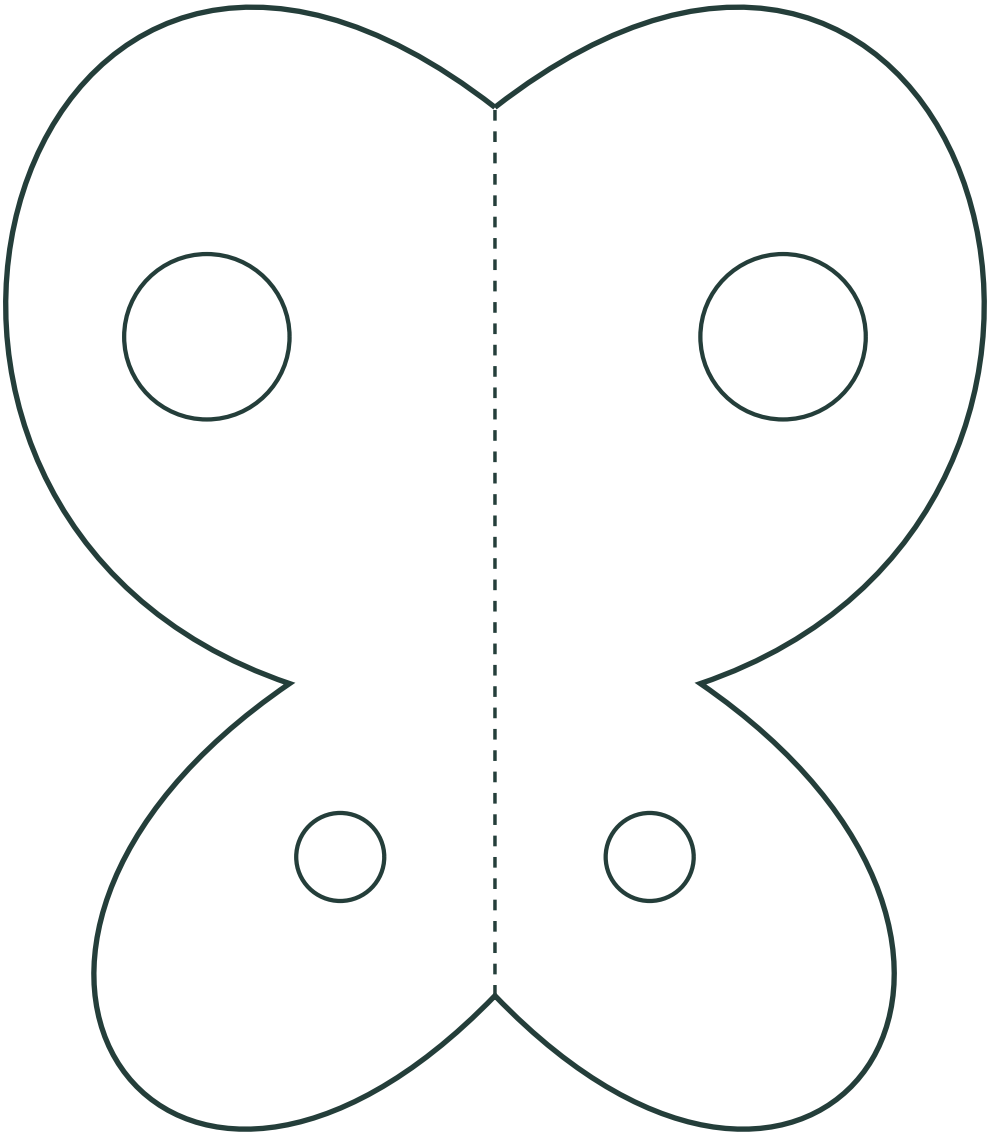

Gently bend the wings up. Compare the shapes on each side.

The middle fold is a line of symmetry in the template.
