My Kindness Crown

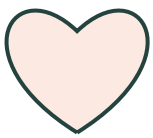

Wear a reminder of your kind ideas.

YOU WILL NEED

This template, crayons, scissors and a glue stick.

An adult must supervise cutting. Use child-safe scissors. Keep small paper pieces away from your mouth.

1. Colour both strips. Draw one kind action in each blank panel.
2. Cut around each strip. Do not cut the lines between panels.
3. Overlap the marked end of strip B with the end of strip A. Glue.
4. Ask an adult to fit the crown loosely around your head. Glue the other ends together. Let it dry before wearing.

If the strips are too short, add a plain paper strip. Never make it tight.

My Kindness Crown

Print at 100%. Colour first. Cut the outside edge of each separate piece.

Outer boundaries: cut. Dashed lines: fold. Enclosed drawing details: colour.
