My Reversible Door Hanger

Two sides can show two different useful messages.

YOU WILL NEED: card, crayons and scissors.

Work with a grown-up. Use child-safe scissors. A grown-up handles inner cuts, holes and fasteners. Keep small pieces away from mouths.

1. Choose two messages or pictures, such as reading and ready to play.
2. Decorate one side of the hanger with each message. Keep the top circle clear.
3. Cut around the outside. An adult helps cut the inner hanging circle safely.
4. Try it on a suitable low hook or door handle with an adult. It should not block a lock or door movement.
5. Turn it over when your message changes. Explain both sides to the people who will use it.

Let glue dry before playing. Keep your model and use leftover paper for another creation.
