Penguin Paper Stand

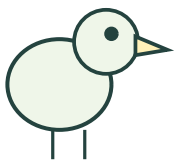

Create a standing penguin for a cool story.

YOU WILL NEED

This template, crayons and scissors.

An adult must supervise cutting. Use child-safe scissors. Keep small paper pieces away from your mouth.

1. Colour the penguin. Leave its belly white if you like.
2. Cut around the outside rectangle only.
3. Fold the rectangle at the dashed line, with the picture facing out.
4. Open the two sides slightly to make a stand. Add a snowy paper scene around it.

Penguins are birds. Their wings are flippers that help them swim.
