Paper Cat Puppet

Make a small paper puppet for a gentle story.

YOU WILL NEED

Crayons, child-safe scissors, a glue stick and paper tape.

An adult must supervise cutting. Use child-safe scissors.

1

Colour the cat face, two ears and paper band.

2

With an adult, cut out all four pieces. Glue the ears behind the face.

3

Curl the band loosely around a finger. Remove it, then tape the ends together.

4

Tape the face to the band. Slip it on loosely and tell a cat story.

Never tape to skin. Keep the band loose and remove it if uncomfortable.
