PAPER CRAFT / AGES 4-7

Paper Friends Hand in Hand

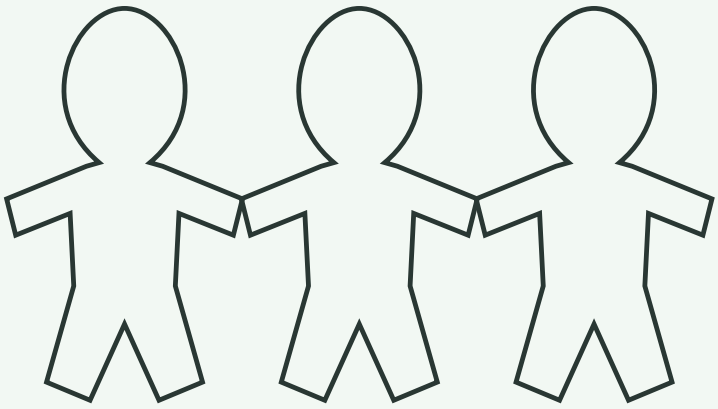
Connect three paper people to make a friendship strip.

YOU WILL NEED

Crayons, child-safe scissors and a glue stick.

1. Colour each person. Draw faces, hair and favourite clothes.
2. Cut around the outside of each whole person. Keep the hands attached.
3. Overlap one hand from each neighbour and glue them together.
4. Let the glue dry flat. Add a friendly word on the clothes if you wish.

ONE WAY TO MAKE IT



Adult supervision: child-safe scissors, glue stick, and paper only. Keep small pieces out of mouths.

Paper Friends Hand in Hand

Print at 100% on A4, or fit to Letter. Colour first. Cut the thick outside edges.

Dashed lines: fold. Thin inner lines: decorate. Keep the paper strip flat. Do not wrap it around a person or animal.
