CRAFT / AGES 4-7

Shape Rocket Collage

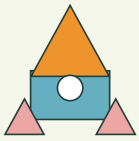

A rocket made from simple shapes.

YOU WILL NEED

Spare paper, crayons, child-safe scissors and a glue stick.

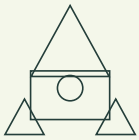

An adult must supervise cutting. Use child-safe scissors.

1

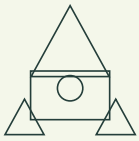

Colour the body, nose, fins and window on page 2.

2

Ask an adult to help cut along every solid outline.

3

Arrange the nose above the body. Put a fin on each side. Glue to spare paper.

4

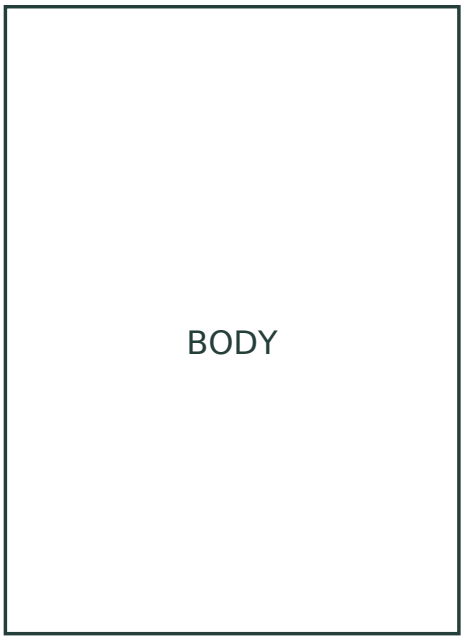

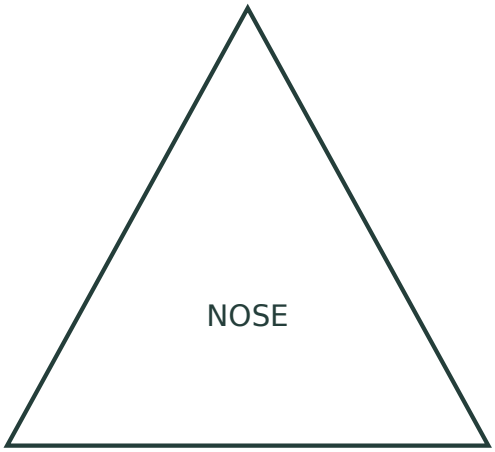

Glue the window onto the body. Count the triangles in your rocket.

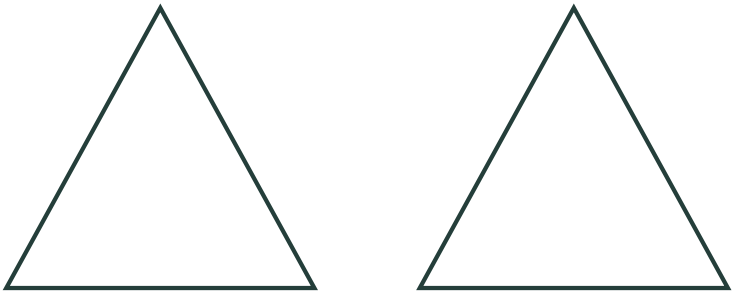

There are 3 triangles: the nose and 2 fins.
