PAPER CRAFT / AGES 4-7

Shape Train Parade

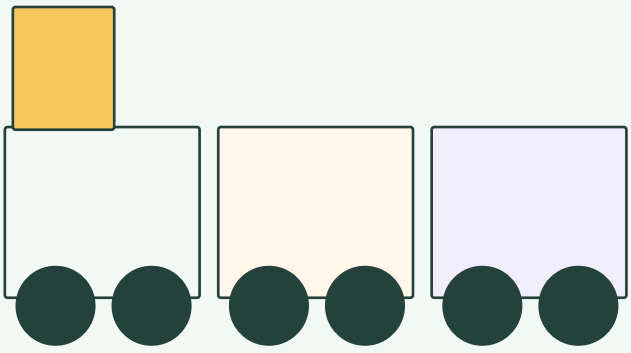

Join an engine and two carriages with paper couplings.

YOU WILL NEED

Spare paper, crayons, child-safe scissors and a glue stick.

1. Colour the engine pieces, two carriages, wheels and joining strips.
2. Cut all the pieces. Arrange the engine from the tall and long rectangles.
3. Glue the carriages beside it, with joining strips behind. Add the wheels.
4. Mount on spare paper. Draw passengers, track and a destination sign.

ONE WAY TO MAKE IT

Adult supervision: child-safe scissors, glue stick, and paper only. Keep small pieces out of mouths.

Shape Train Parade

Print at 100% on A4, or fit to Letter. Colour first. Cut the thick outside edges.

Dashed lines: fold. Thin inner lines: decorate. This is a flat picture train. Keep the paper wheels out of mouths.
