CRAFT / AGES 4-7

Pretend Pizza Fractions

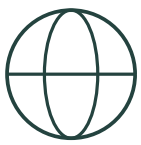
Make a paper pizza to share in four equal parts.

YOU WILL NEED

This template, crayons and scissors.

An adult must supervise cutting. Use child-safe scissors. Keep small paper pieces away from your mouth.

1. Draw pretend toppings on the big circle. Keep them flat on the page.
2. Ask an adult to help cut out the circle.
3. Cut along the two straight thick lines to make four equal quarters.
4. Put the pizza back together. Share one quarter with each of four pretend guests.



This pizza is made of paper. Do not eat it. Two quarters make one half.
