Rainbow Weaving Mat

Weave paper strips over and under.

YOU WILL NEED

This template, crayons, scissors, glue and a spare sheet.

An adult must supervise cutting. Use child-safe scissors. Keep small paper pieces away from your mouth.

1. Colour and cut all eight strips. Use four for the up-and-down strips.
2. Place those four strips side by side. Glue just their top ends to spare paper.
3. Weave one loose strip across: over, under, over, under. Weave the next in the opposite order.
4. Add the last two crosswise strips, alternating the starting order. Glue the ends in place.

Leave a little space between strips. Try two contrasting colours.
