PAPER CRAFT / AGES 4-7

Three-Horn Dinosaur Portrait

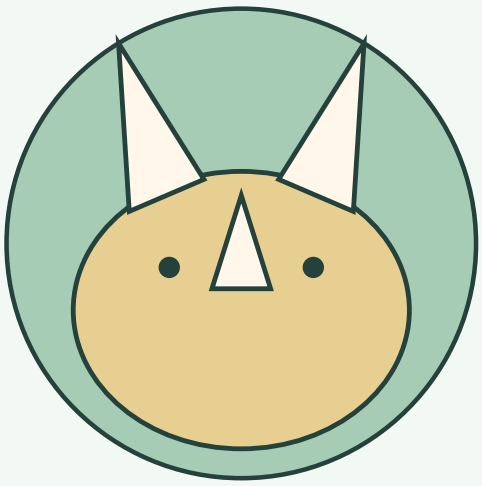

Layer a frill, face and three horns.

YOU WILL NEED

Crayons, child-safe scissors and a glue stick.

1. Colour the large round frill and oval face. Add patterns.
2. Cut out the frill, face and three horns.
3. Glue the face onto the lower part of the frill. Add two horns above the eyes.
4. Glue the small horn near the nose. Draw eyes, nostrils and a smile.

ONE WAY TO MAKE IT

Adult supervision: child-safe scissors, glue stick, and paper only. Keep small pieces out of mouths.

Three-Horn Dinosaur Portrait

Print at 100% on A4, or fit to Letter. Colour first. Cut the thick outside edges.

Dashed lines: fold. Thin inner lines: decorate. This playful portrait is inspired by Triceratops.
