Swirly Snail Art

Decorate a spiral without cutting it out.

YOU WILL NEED

This template, crayons, scissors, scrap paper and glue.

> An adult must supervise cutting. Use child-safe scissors. Keep small paper pieces away from your mouth.

1. Colour the snail card and cut around the outer rectangle.
2. Tear tiny paper pieces or draw dots along the spiral path.
3. Glue torn pieces on the shell. Do not cover the eyes or feelers.
4. Draw leaves and a trail around your snail. Let the glue dry.

The spiral is a decoration line. Keep it inside the card.
