PAPER CRAFT / AGES 4-7

Windy Tree Paper Collage

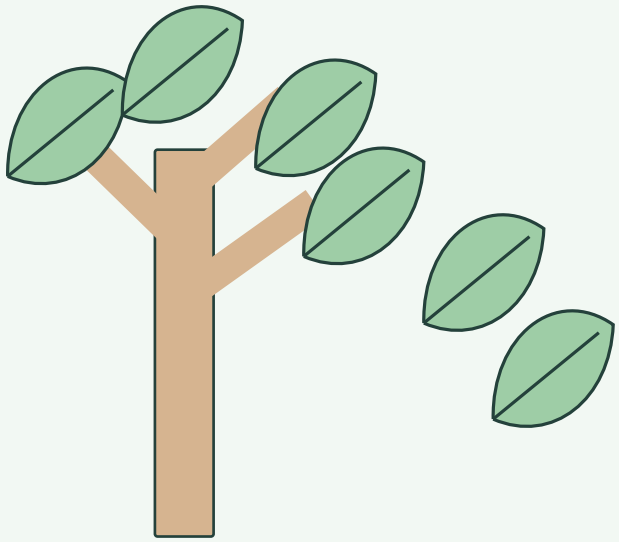
Arrange branches and leaves as if a breeze is blowing.

YOU WILL NEED

Spare paper, crayons, child-safe scissors and a glue stick.

1. Colour and cut out the trunk, three branches and six leaves.
2. Glue the trunk onto spare paper. Add the three branches.
3. Place some leaves on the branches and some drifting to one side.
4. Glue them down. Draw short curved wind lines.

ONE WAY TO MAKE IT



Adult supervision: child-safe scissors, glue stick, and paper only. Keep small pieces out of mouths.

Windy Tree Paper Collage

Print at 100% on A4, or fit to Letter. Colour first. Cut the thick outside edges.

Dashed lines: fold. Thin inner lines: decorate. Try arranging the pieces before using glue.
