Draw a Walrus

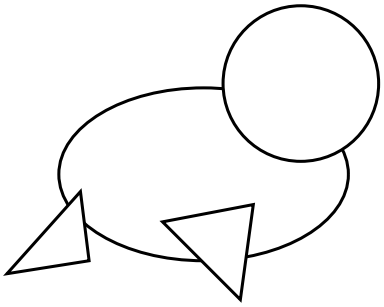

Build the picture from simple shapes.

Follow the three stages. New lines are added at each stage.

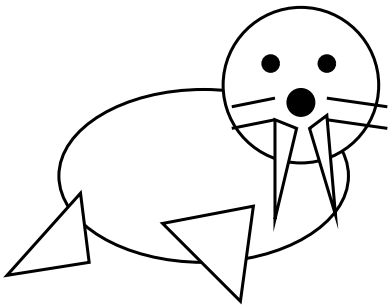

1. Begin with the main shape

2. Add the head and outline

3. Finish the details

4. Your turn

Try it here. Your drawing can have its own character.

Draw a Walrus

A WHOLE PAGE FOR YOUR DRAWING

Draw your walrus again. Add a place for it to live.

Tell someone about one detail you chose to add.
