Find the Repeating Unit

For a grown-up. Invite the child to explain or point to an answer.

- 1. circle, triangle; next: circle, triangle.
- 2. square, square, circle; next: square, square.
- 3. star, circle, triangle; next: star, circle.

Try it together

The repeating unit is the smallest group that can be repeated to make the pattern.

An adult may read the words aloud. Drawn, spoken and pointed answers are welcome.
