Odd and Even Partners

Pair objects to explore odd and even numbers.

1 **2, 4, 6, 8**

These make complete pairs.

2 **1, 3, 5, 7**

These leave one unpaired.

3 **10 is even**

Five pairs use all ten.

4 **9 is odd**

Four pairs and one remain.

Use large counters. Make pairs for 11 and 12.
