Rabbit carrot

Help the rabbit reach a crunchy carrot.
Trace from START to END. Stay between the walls.

Name _____ Date _____

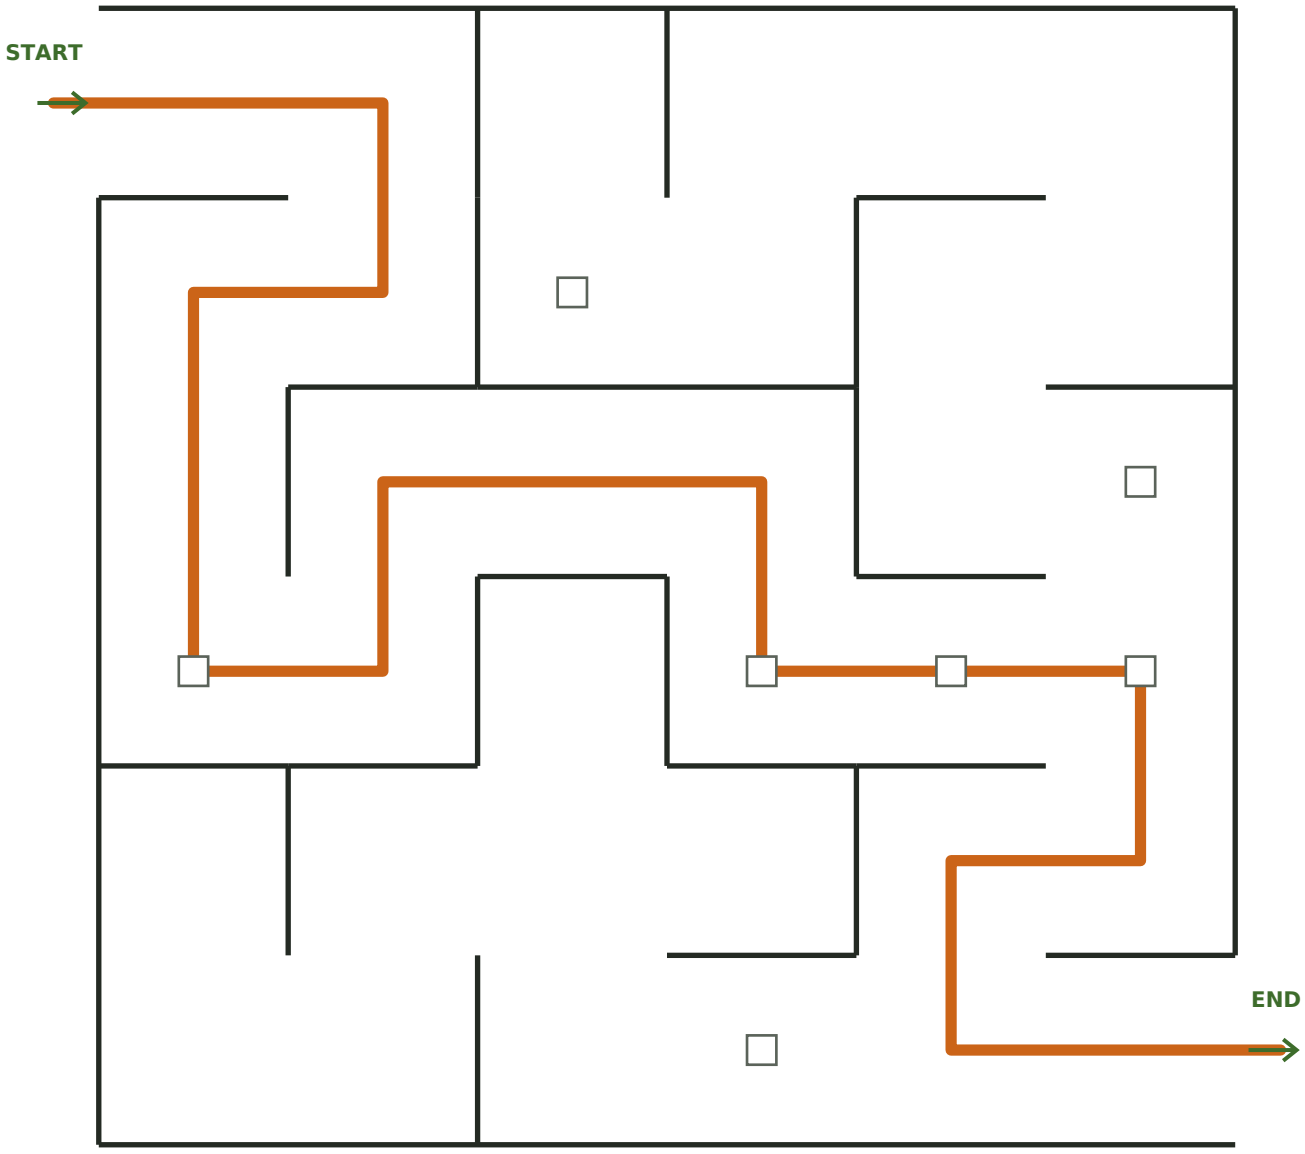

Count the squares you pass on your path.

I found ☐ squares.

Try first with your finger. Then use a pencil.

Rabbit carrot solution

The coloured line shows the one correct route.
Only count the squares touched by the route.

Answer: 4 squares are on the correct route.

Trace it slowly and count each marked shape once.

A grown-up can read the instructions aloud.
