Unicorn rainbow

Help the unicorn reach the rainbow.
Trace from START to END. Stay between the walls.

Name _____ Date _____

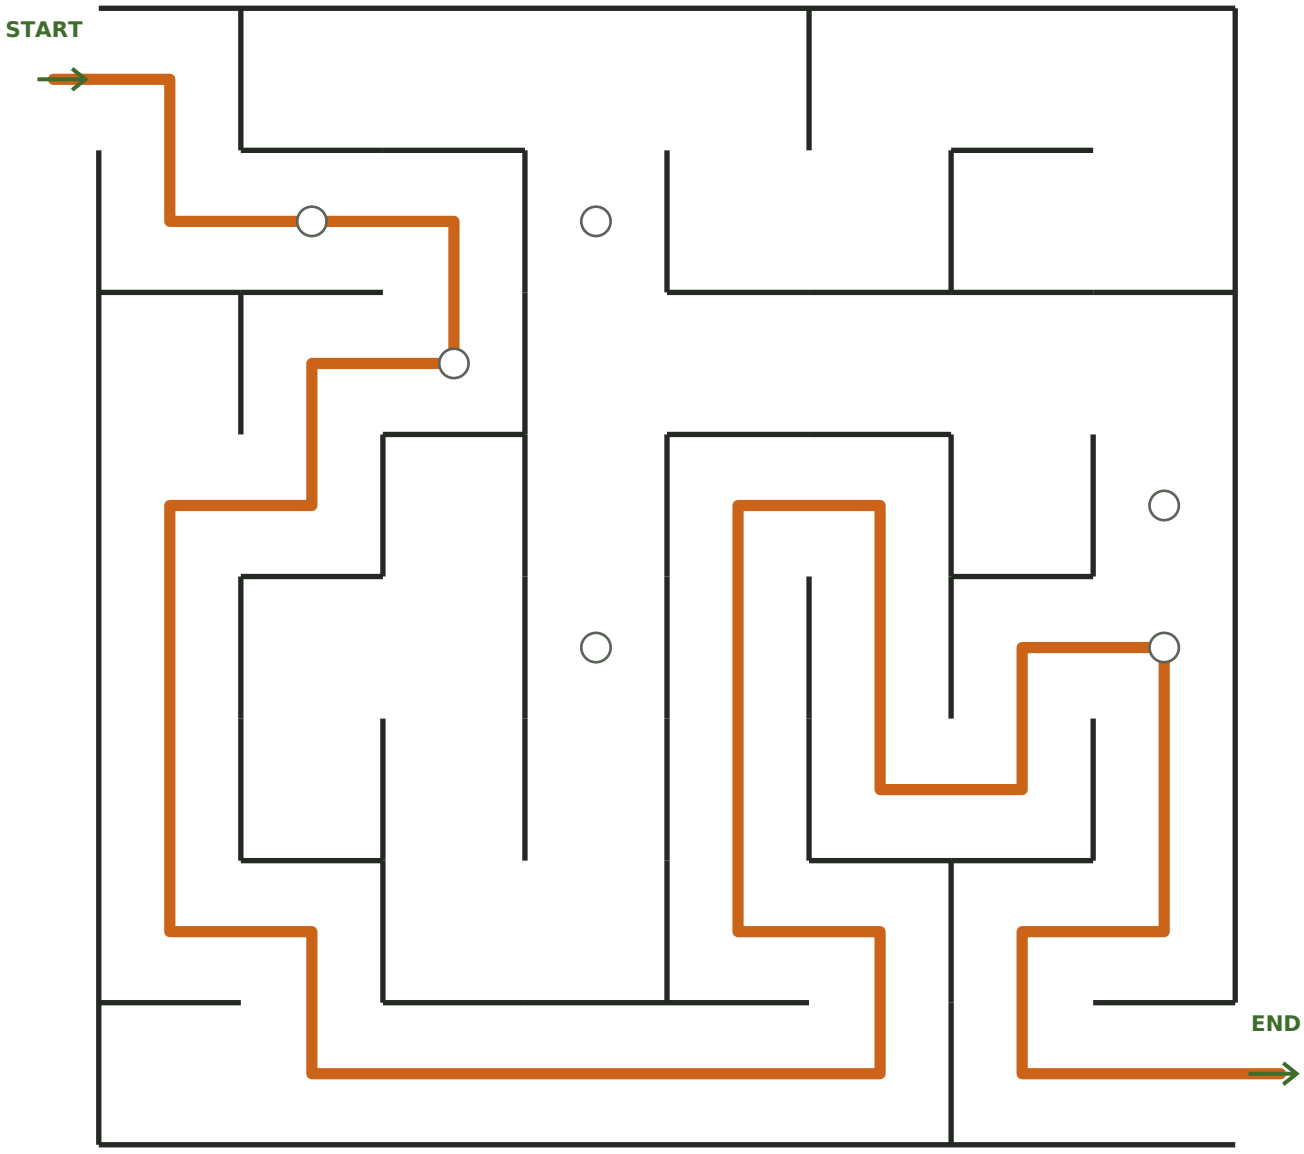

Count the circles you pass on your path.

I found ☐ circles.

Try first with your finger. Then use a pencil.

Unicorn rainbow solution

The coloured line shows the one correct route.
Only count the circles touched by the route.

Answer: 3 circles are on the correct route.

Trace it slowly and count each marked shape once.

A grown-up can read the instructions aloud.
