WORKSHEET / AGES 4-7

Shape Detective

Find the shapes. Count them and write your totals.

Name: _____

WORKSHEET / AGES 4-7

Shape Detective

Grown-up guide | Read the directions aloud if helpful.

01 4 circles.

02 3 squares.

03 3 triangles.

04 2 rectangles.

Talk together: a square has four equal sides. A rectangle has four square corners. In this activity, count the long rectangles separately.
